

Prosopon Beginner's Iconography Workshop

Monday, July 17th through Saturday, July 22nd , 2017

Milwaukie, Oregon

Course Description:

Six-Day Iconography Workshop

The Beginner's Workshop is running the week before our Advanced Workshop. This course is open up to 18 "beginning" students. The icon will be of either Archangel Michael or Archangel Gabriel. ("Beginning" in this sense means new to the Prosopon process of Iconography if you have been doing icons, or new to icon painting in general, no matter your artistic skill, though advanced students who want to attend the beginners workshop are also welcome.) For more information about the Prosopon School of Iconology, please visit: www.prosoponschool.org Members of the parish will be providing lunch daily for the students. On Thursday evening the 20th we will have a relaxing dinner together; usually middle eastern food and wine will be included. Snacks, coffee and tea will be available throughout the day during the course.

The Workshop will hopefully be held at the Church of the Annunciation, 13515 Southeast Rusk Road, Milwaukie, Oregon 97222. If not there, then at St. Stephen's Serbian Orthodox Church, 11447 SE 27th Avenue, Milwaukie, OR 97222, about 2 1/2 miles away. Food and lodging are not provided, but, as always, we are willing to help you find suitable accommodations. Also some parishioners have been willing to house "a few" of the students if space is available, but no guarantees. For information, please contact me, Rosalie Broding, by email at broding.oregon@comcast.net.

Workshop Costs:

The cost of the workshop is \$750. 00

- If you pay a \$100 non-refundable registration fee, postmarked on or before April 1, 2017, you will receive a \$50 discount on the cost of the workshop. (We have had MANY inquiries about the course this year and it will be a "first come, first serve basis", so please note that after we have 18 students enroll, you will be placed on a waiting list in the order that your check is received. We can retain your fee for the first open slot and confirm it with you when it opens up. All applicants on a waiting list can have their money reimbursed in full if they are not able to be enrolled in the course, or if they contact me before they are notified about an open slot, that they want to be taken off the waiting list.)

- If full payment is postmarked before June 1, 2017, you will receive an additional \$50 discount.

- If you need to cancel after you have enrolled, only your \$100 non-refundable registration fee will be retained, unless you cancel within 30 days of the start of the workshop. Then ½ of your payment will be retained, unless we are able to refill your seat. If that is the case we will only keep the \$100.00 non-refundable fee.

Plus Supply Costs:

Please plan to use the instructor's supplies during the course. The fee for using the instructor's supplies is \$50 and should be paid directly to Dmitri during the class. The supplies will include clay, gold leaf, brushes and a palette. (The brushes will be for you to keep.) You will need to order a 9 1/2 X 12 1/2 or 10 x 13 inch gesso student board with a kovcheg to bring to the class. The cost of the icon board is about \$80-\$115, depending on style and vendor (excluding shipping). Prepared boards are available through Pandora Iconographer's Supplies at www.iconboards.com, or St. John's Workshop at www.stjohnsworkshop.com.
